Good news, Fringers: the FREE Fringe Shuttle is back for the 2026 Edmonton International Fringe Theatre Festival!

Thanks to support from the City of Edmonton and Edmonton Transit Service (ETS), Festival-goers can catch a free ride between the Fringe Grounds in Old Strathcona and the French Quarter during all 11 days of Festival.

Whether you're heading to a show, exploring a new venue, or just giving your feet a little break, the Shuttle is an easy way to experience more Fringe.

Better yet? Every ride helps support the future of the program. This year marks a pilot return of the Shuttle service, so ridership matters! Hop on board and help keep connected Fringe experiences rolling into the future.

The Fringe Festival Shuttle is FREE! No ticket or payment required!
